## Why become a CanIdeal Seller?

### VIRTUAL TRACKING & INVENTORY MANAGEMENT

Simplify communications across all internal teams using CanIdeal's centralized software where you can virtually track your inventory and orders from checkout to delivery.

### CRM & BRAND EXPOSURE

Maintain client relationships and get noticed by retailers searching for new products.

### CHARTS & DATA REPORTS

Use CanIdeal's charts, graphs and reports to adjust your business plan and make data-driven decisions.

### GEO-FENCED SECURITY

Through encryption and geo-fencing, every transaction on CanIdeal is fully protected, keeping all deliveries, data hosting, banking, sign-ups and vendors within individual, legal-state lines.
